(DESCRIPTION)

[00:00:00.00] Ketchup on floor.

(SPEECH)

[00:00:01.43] Sometimes life gets a little sticky, especially for families on the move. And a quick wipe just won't cut it for some spills and spots. But with the Bissell PowerFresh Steam Mop at your side, you'll have the upper hand on the really tough stock. The retractable easy scrubber quickly cleans dried on sticky spots and gets down into crevices when and where you need it.

(DESCRIPTION)

[00:00:26.62] Woman cleans floor with mop.

(SPEECH)

[00:00:29.19] It's easy to adjust the steam for your cleaning needs with the digital smart set steam control. Quickly switch between low, medium, and high steam for everyday cleaning or to tackle stubborn sticky messes.

(DESCRIPTION)

[00:00:43.46] She steam cleans the bathroom floor under cabinets.

(SPEECH)

[00:00:47.35] Exceptional maneuverability makes it easy to reach into tight corners and steam away the grime that builds up under cabinets and along baseboards.

(DESCRIPTION)

[00:00:56.86] She pushes down foot pedal.

(SPEECH)

[00:00:58.78] And the easy scrubber is also great for cleaning tile and getting into grout. The PowerFresh steam mop sanitizes with steam, which kills 99.9 percent of germs and bacteria. Use the spring breeze fragrance discs to freshen up areas that you and your family use every day, leaving your home smelling fresh and clean.

(DESCRIPTION)

[00:01:20.32] Fills tank.

(SPEECH)

[00:01:21.80] And the removable water tank is easy to fill from any sink. When you're done, simply use that quick grip release tab to pull off the mop pad and toss it into the wash for use again and again. The Bissell PowerFresh steam mop makes it quick and easy to freshen up your home so you can move on to the next thing that life throws your way.

[00:01:44.87] [MUSIC PLAYING]

(DESCRIPTION)

[00:01:45.47] A ball bounces down stairs. The woman smiles. Bissell.
